## Declaration of consent

I am informed that the ASQF e.V., for the purposes of advertising and factual information or one of its subsidiaries, would like to have image films and webinars, possibly supplemented by image brochures, created and maintain websites. There will be image and sound recordings on which my person will also be recorded or depicted. I declare:

1. I agree to my basic participation in image and sound recordings.
2. With regard to the image and sound recordings, I assign all rights to my own image to the ASQF e.V. I consent to the distribution and archiving of the recordings using digital media and other data carriers exclusively for the purposes mentioned above.
3. I am aware that the image film and webinars will also be distributed via the internet on the website and via the social media channels of the ASQF e.V. Image recordings can optionally be included in an image brochure. Under certain circumstances, the ASQF may broadcast the image film and the brochure on third party websites (e.g. YouTube) if they are in turn committed to the above-mentioned purposes.
4. Presentation slides created and used by me may be passed on to the participants by the ASQF e.V. and published in the ASQF Net (member area).
5. I also consent to the reproduction of the recordings mentioned for the purposes mentioned.
6. Should the ASQF e.V. use the recordings for purposes other than those mentioned in this declaration, I can freely revoke my consent at any time and without any obligation to provide compensation.
7. If a clause of this declaration become ineffective or void, the rest of the declaration shall remain effective. The ineffective or void clause should be replaced by a provision that comes as close as possible to the content of the ineffective or void provision.
8. I also have the option of withdrawing my consent at any time.
